Dear USPTO,

Regarding the boards ruling for applicant to compel discovery , I (LeMar X.Lewis) have submitted the necessary responses and delivered them to Opposer as of 10/29/2015 within the 20 day time period given. I've actually submitted them on multiple occasions previously to 'Opposer" 'Lemar Corp" but apparently not up to their approval. However Opposer attempts to discredit my sincere efforts or make it seem that I am not following through with boards orders due to neglect, I assure you that this is not the case. Unlike 'Opposing" I do not oppose trademarks for a living. Applicant did not respond to the 2nd set of discovery because as far I as I know, discovery was only compelled for the first set of discovery. As I previously mentioned, I will do my best to keep up with proceeding as this has become a very costly and time consuming event for myself. I'm not familiar with all the rules and procedures and it would be appreciated if opposer would be a bit more reasonable throughout the remaining of this proceeding..

Best regards.

LeMar X Lewis
